• Four years ago Ed Thompson took over the Chevrolet Agency in Torrance. Since that time his organization has grown until today it covers the entire South Bay area with three separate locations that serve motorists in eight communities. This growth did not "just happen." It was founded on the sound principle of **CUSTOMER SATISFACTION!** Its life blood is honest, fair dealings. Its reward to us is the knowledge that **EVERY** customer to whom we sell either a new Chevrolet or a Used Car, is a friend and a booster for Ed Thompson. We have tried to make friends as well as make sales. We have done both.

Above is the Torrance Chevrolet Agency, 1600 Cabrillo Ave., which Ed Thompson has operated for four years. It is one of the best equipped shops in this district and has **EVERY** piece of equipment and necessary mechanics to do **EVERY** type job.

This is the new Ed Thompson Agency in Hermosa Beach at 901 Hermosa Ave., renovated and ready to serve motorists.

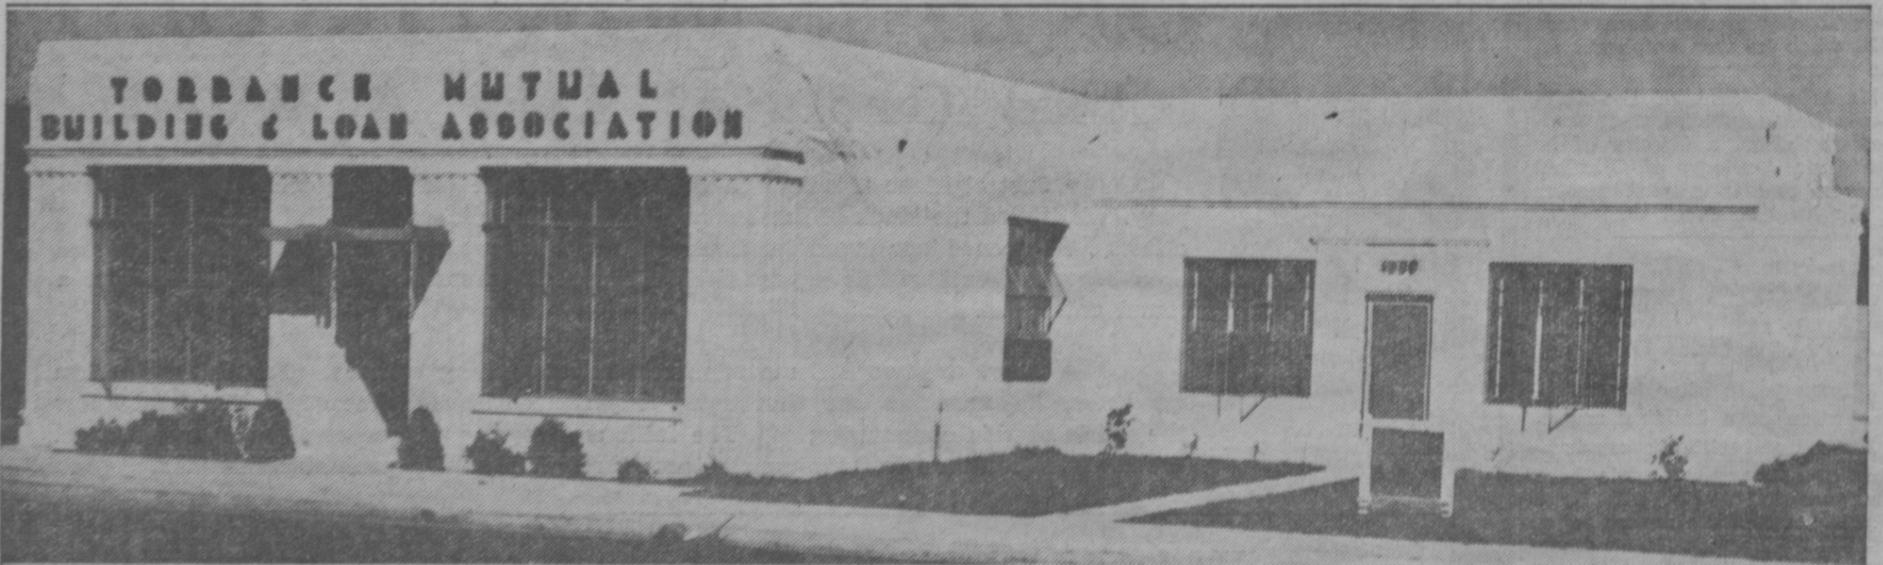

The Redondo Beach Agency, 129 So. Catalina Ave. . . . a modern shop with skilled workmen who guarantee service and satisfaction.
